ADDENDUM NO. 2

Request for Proposals #725630
For
UNL Jackie Gaughan Multicultural Center Wiring Project

The following questions and responses relate to the Request for Proposal #725630 "UNL Jackie Gaughan Multicultural Center Wiring Project", that is scheduled for public opening on Friday, October 30, 2009 at 2:30 PM Local Time. This information has been posted on the University Purchasing website, located at: <http://purchasing.unl.edu/>.

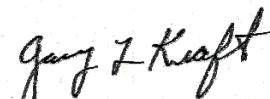

1. Question: Can you please provide the distance for the fiber optic cable drop between the Jackie Gaughan Multicultural Center room 2020 and Love Library room 215.1? **Response: We recently installed fiber from Love Library rm. 215.1 to the State Historical Museum building directly south of the new Multicultural Center Building. Our tech indicates that this run was 1,509 feet, but it is the bidding contractor's responsibility to verify these distances.**

2. Question: Will the University be providing any cable for this project like you did for the Physical Sciences Building? **Response: No, UNL is not providing any material on this project.**

All other specifications remain the same.
